basra university

Conferences, Meetings and Seminars

- Dubai International Pharmaceuticals and Technologies Conference & Exhibition, •
Dubai, UAE on March, 2013.
- Dubai International Pharmaceuticals and Technologies Conference & Exhibition, •
Dubai, UAE on March, 2008.
- The Seventh International Conference entitled "*Future Prospects for* •
Pharmaceutical Sciences" by College of Pharmacy- Baghdad University, Baghdad, Iraq,
on Dec. 2008.
- Pharmacy Day Conference, Basra, Iraq on April 2011. •
- Scientific Symposia at College of Pharmacy- Basra University, 2009 •
- The First International Conference entitled "*Toward A better Pharmacy Sciences*" •
by College of Pharmacy- Basra University, Basra, Iraq, on Dec. 2012.

Associate Professor: Oday Sajjad Azeez, PhD Pharmaceutics, Pharmacy
College, Basra University

The First National Pharmacist Conference entitled "*Toward A safe and Effective Drug*" by Pharmacy department, Basra Health Directory, Ministry of Health, Basra, Iraq on May 2010. •

The First International Conference entitled "*Pharmacy Science: Challenges and Development*" by College of Pharmacy- Kufa University, Najaf, Iraq, on Oct. 2011. •

Skills

Active Team Work Member, bilingual Arabic and English •

Qualified lecturer •

MS Office such as: Word, Excel, Power Point. •

Published Researches

Development and Evaluation of Sustained Oral Ketorolac Tromethamine Particulate Matrix via Bioadhesive Chitosan Based Freeze Dried Solid Dispersions. (2nd author). •

An Investigation and Characterization on Alginates Hydrogel Dressing Loaded with Metronidazole Prepared by Combined Inotropic Gelation and Freeze –Thawing Cycles for Controlled release (4th author). •

Design and Evaluation of a bioadhesive film for transdermal delivery of propranolol hydrochloride (master thesis) •

Formulation and Optimization of Solid Dispersion As A Sustained Release Matrix For Oral Ketorolac Tromethamine. (2nd author). •

Extended Release Niosomal Hydrogel for Ocular Targeting of Piroxicam: In vitro and Ex vivo Evaluation (2nd author). •

Investigation of Sorbitan Niosomal Gel for Sustained Delivery of Piroxicam (2nd author). •

Impact of covid-19 pandemic on health care providers: save the front line fighters ;2021 •

Effect of Method of Preparation on Physical Properties of Ciprofloxacin HCL Elastic Liposomes Intended to be Utilized in Treatment of Acne Vulgaris (5th author). •

*Associate Professor: Oday Sajjad Azeez, PhD Pharmaceutics, Pharmacy
College, Basra University*

- Exploring Electronic Communication Modes Between Iraqi Faculty and Students •
of Pharmacy Schools Using the Technology Acceptance Model. (3rd author).
- The experience with hospitalized covid- 19 patients in al basra , Iraq : predictors •
of the disease severity ;2021
- Evaluating the use of informational technologies by the students of health care •
colleges for academic purposes over a five year period.
